9. Provide the specific Land Development Code Section. The Variance is requested to
Section _____

10. State the reason for this request (attach written summary if additional space is needed):

11. **CRITERIA:** The Planning and Zoning Commission shall hear and decide requests for variances from the terms of the zoning regulations where, owing to special conditions, a literal enforcement of the provisions will result in unnecessary and undue hardship upon, and personal to, the applicant therefore, and not surrounding properties. In order to authorize a variance, the commission must find the following.

Complete each criteria below and provide justification (attach separate sheet if additional space is needed):

a. That special conditions and circumstances exist which are peculiar to the land, structure or building involved and which are not applicable to other lands, structures or buildings in the same zoning district; such on-site conditions may include, but are not limited to, topography, preservation of vegetation, access, vehicular and pedestrian safety and preservation of scenic views:

b. That the special conditions and circumstances do not result from the actions of the applicant:

c. That granting the variance requested will not confer on the applicant any special privilege that is denied by the chapter to other lands, buildings or structures in the same zoning district:

d. That literal interpretation of the provisions would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the chapter and would work [incur] unnecessary and undue hardship on the applicant:

- e. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure:

- f. That the grant of the variance will be in harmony with the general intent and purpose of this code and the comprehensive plan, will not be injurious to the neighborhood or otherwise detrimental to the public welfare; and

- g. The granting of the variance will not be detrimental to the property or improvements in the area in which the property is located.
