BY SIGNING THIS APPLICATION, THE UNDERSIGNED CERTIFIES THAT THE INFORMATION CONTAINED HEREIN IS TRUE AND THAT THE UNDERSIGNED UNDERSTANDS THAT:

- 1) Any sound permit issued hereunder shall be valid for a period of one year from the date of issuance, unless suspended.
- 2) It is unlawful for any person owning or controlling non-residential property, located within 1,000 feet of a residential area, for which a valid sound permit is not in force, to knowingly permit amplified sound equipment to be used thereon is such use is in an outdoor location. It is also unlawful, and a violation of this code, for any person to use amplified sound equipment on non-residential property, located within 1,000 feet of a residential area, for which a valid sound permit is not in force.

THE UNDERSIGNED ALSO AGREES TO THE FOLLOWING CONDITIONS ON ANY SOUND PERMIT ISSUED:

- 1) The permittee shall not use, or suffer or permit the sound amplification equipment to be used, to produce noise that exceeds the noise level standards set forth in section 46.200 of the City of Mount Dora code of ordinances;
- 2) The permittee shall, upon request by a city police officer or code enforcement officer, turn the amplification equipment off to allow the officer to obtain sound readings for purposes of measuring compliance with the noise level standards;
- 3) The permittee shall be limited to operating the sound equipment permitted hereunder from 11:00 a.m. until 10:00 p.m. Sunday through Thursday and 11:00 a.m. until 11:00 p.m. Friday and Saturday;
- 4) The sound equipment, and any sound barriers or other attenuation barriers included in the permit, shall at all times be located and oriented in accordance with any permit issued; and,
- 5) The sound equipment, and any sound barriers or other attenuation devices approved as part of the permit, shall comply with any applicable requirements of the Florida building code, including any local amendments which the city may adopt from time to time.
