Subject: FLC Legislative Alert - Public Records Reform Bill Passes Senate

March 29, 2017

Public Records Reform

On Wednesday, March 29, [SB 80 \(Steube\)](#) passed the Senate by a vote of 38-0. This

is a FLC priority bill to help fix the problem cities and other governmental entities are experiencing from opportunistic individuals who are exploiting Florida's public records law.

Please thank your Senators for voting in support of SB 80! Click [here](#) to see the vote.

We will keep you posted as this issue progresses in the House.

Thank you all for your advocacy on this important issue!
