PARKING INFORMATION

Mount Dora has over **700 parking spaces** available.

Parking Garage

The City's covered parking garage is located downtown at Charles Avenue and Donnelly Street.

Parking Lots

Mount Dora has several public parking lots. The largest lot with 100 spaces is located 2 blocks from downtown, across the street from the First United Methodist Church on 5th Avenue.

Street Parking

Ample street parking is available throughout. Please do not block or park in front of a driveway or crosswalk. A sign is not needed to enforce this regulation. Vehicles may need the full width of the driveway to get to and from the street, and crosswalks throughout the City are frequently used by pedestrians.

Special Events

Parking is restricted on special event days. The City will post signage when and where restrictions apply.

Pedestrians

The City of Mount Dora is proud of its pedestrian-friendly walkways, trails and greenways.

Pets

For the safety of people and pets, when streets are closed for festivals, pets should remain at home as they are not allowed in the event area. Do not leave pets in unattended vehicles.
